

**Year 3, Week 4: 22/06/2020**

Dear Parents and Children of Cedar Class,

I hope you are all keeping safe and healthy! I am missing all of you at school and I hope you are behaving for your parents. I know it can't be easy staying at home but you are all doing so well and we are all very proud of you! As you can't come to school, I have put together some activities to help you continue your learning at home with your parents.

Parents, we appreciate many of you are working from home, so please be re-assured these are suggestions, so do not feel you need to complete every activity, every day (unless you want to!) If you are already using other platforms such as Oak National Academy or Hamilton please feel free to continue to use these, if that is what you would prefer to do. If you have any questions regarding online learning, please could you contact me at [MrSlackDeanwood@hotmail.com](mailto:MrSlackDeanwood@hotmail.com), rather than contacting Miss James who will be teaching at school. I am also happy to receive pictures of children's work at the email address above. I hope you find this useful and look forward to seeing you all again soon.

Until then, take care!

Mr Slack

National Sport Week					
Schools around the country are celebrating National Sport Week this week. The activities this week are based around sport and exercise. If you can and it is safe to do so, it would be great if you got out and about exercising regularly and celebrating sport.
