

Numeracy and Maths:

- ☺ Work out how many years ago dinosaurs lived.
- ☺ Find out the height and weight of different dinosaurs and create a table to show your findings.
- ☺ Practice counting in 2s, 5s and 10s. Then practice your 2, 5 and 10 times tables.

Science:

- ☺ Find out about food chains—create a poster to explain what you have learnt.
- ☺ Make a PowerPoint or presentation about dinosaurs.
- ☺ Find out about the diet of one type of dinosaur.

Expressive Arts:

- ☺ Write a short play script including dinosaurs.
- ☺ Write a short song or rap about something you have learnt this term.
- ☺ Learn all the words to one of your favourite songs.

Out and About:

- ☺ Go for a walk and look for some habitats.
- ☺ Visit a park and look for signs of Autumn.
- ☺ Go outside and use your senses, take note of all the things you hear, see, taste, touch and smell.

Term One Homework Grid

Year 2: Dinosaurs

Health and Wellbeing:

- ☺ Take three minutes to do some mindful listening—what can you hear that wouldn't have been heard when dinosaurs lived?
- ☺ Go on a nature walk and collect items to create a nature picture with.

Literacy and English:

- ☺ Write a letter to Bonehead from Gigantosaurus explaining why what he did was wrong.
- ☺ Read a book and write down the main events.
- ☺ Practice writing the letters i, l, t, x, z.

Art and DT:

- ☺ Create a dinosaur land out of junk modelling materials.
- ☺ Create a piece of art in the style of Roy Lichtenstein.
- ☺ Draw/paint/collage a picture/model of a dinosaur.

Research:

- ☺ Choose a dinosaur to research and write down the facts you find out.
- ☺ Find out some information about the artist Roy Lichtenstein.
- ☺ Find out the names of the seven continents and five oceans.
