

Hawthorn Class - This is a grid of additional topic activities to complete throughout your time whilst being out of school. Please see how many of these activities you can complete. Please try to complete all pieces of work to the best of your ability.

Write a Mayan adventure story involving archaeologists and ancient Mayan treasure.	Write a fact file about ancient Mayan gods.	Respond to your piece of favourite music through art – how does it make you feel? What pictures, images or colours come to mind?	Design an ancient Mayan mask – there are template and designs on line for you to look at.
Create a spelling game helping others to practice their spellings.	Write a letter to an elderly relative or a care home wishing them a safe time.	Research fair trade and the journey chocolate takes from where it is grown to ending up in supermarkets.	Create a maths game focusing on either times tables or fractions.
Create an e-safety poster explaining to someone how to stay safe online.	Write a book review of your favourite book or author.	Create a project book or PowerPoint about everything you have learnt about the Mayans this term.	Research and write a biography about the famous animal scientist David Attenborough.
Practice painting and drawing – sometimes it can be relaxing and help your mind switch off from other things going on in your life.	Get out in the garden and watering the plants or take care of the flowers.	Create a delicious chocolate tasking menu – what exotic and interesting flavour combinations can you think of?	Go to your local park or in your garden and choose a sporting activity to keep yourself fit and healthy.

Please read as much as possible over the time off! Reading will help take your mind off things going on right now and will help you to improve you comprehension, vocabulary and writing.

Please use these website links to access additional learning opportunities throughout your time out of school.

Classroom Secrets Home Learning Pack

This pack has been produced for free by Classroom Secrets, who are a well-known educational resource company, which we use regularly in school. If your child did not receive this pack at school, please copy and paste the link into the internet search bar to access Maths, GPaS and Reading resources and work online. If you are unable to print the work, it can be completed on paper, on a Word Document or in note books.
