

## Year 1 Remote Learning – Week Beginning: 11.01.21

### Phonics

Click on the links below to find the videos for Phonics lessons.

We suggest that your child watches the videos, practices saying and writing the grapheme and any words discussed in the videos whilst they are watching the video. You can pause the video at times to allow them to do this. After the video, encourage your child to write sentences including some of the words that were mentioned in the video, e.g. if they are watching the 'ee' video and the word 'bee' has been mentioned, they could try to write 'I can see a bee buzzing in the tree.' using the graphemes they have already learnt.

Friday	<a href="https://vimeo.com/492198226">https://vimeo.com/492198226</a> - Subtraction counting back

We suggest that your child watches the videos and then pauses when questions are asked and tasks are set. They can then write down the answers to questions or say them aloud and complete the tasks.

There are then worksheets to go with each lesson which are on the website for you to download and complete.

## **Reading**

It is free to sign up to the Oxford Owl website [https://www.oxfordowl.co.uk/user/sign\\_up](https://www.oxfordowl.co.uk/user/sign_up) where, once signed up (it only takes a couple of minutes) you can access many e-books for your child to read at home. You can choose a book based on your child's age and the website will also read the book to them if you would like to use this feature. If your child is finding the books for their age too easy to read, choose some books for older children. If they are finding the books too easy to read, choose some books for younger children.

## **Extra Phonic Activities**

Pupils in Year 1 will be completing their Phonic Screening Check in Term Six. In order to prepare for this, we will be practicing reading words in the style of the check in school. At home, you can do the same with your child. Use the following link to generate a sample Phonic Screening Check:

<http://www.oxfordphonicschecksupport.co.uk/review?type=example>

Note down the spelling patterns your child is unable to recognise independently. Then use the link below to select just the sounds your child is finding difficult. When it asks if you would like to include pseudo words, click 'yes' as these are nonsense words and children need to be able to also read nonsense words in order to be ready for the check. This will generate a word list in the style of the check including just the sounds you have selected. Once they feel more confident recognising those sounds in words, practice some different ones. Once you feel they are ready, use the link above for them to try another Phonic Screening Check.

The following websites can be used to play Phonic games which will also support your child in preparation for the Phonic Screening Check:

<https://www.phonicsplay.co.uk/>

<https://www.bbc.co.uk/bitesize/topics/zcqqtftr> (here you can select the sound they are finding tricky and watch a video focused on that sound)
