

Dear Parents and Children of Oak Class,

How are you all doing? It is so strange not seeing everyone and I am missing all of your smiley faces! I hope you are being very good for your parents. I know it can't be easy staying at home but you are all doing so well and we are all very proud of you! As you can't come to school, I have put together some activities to help you continue your learning at home with your parents.

Parents, we appreciate many of you are working from home, so please be re-assured these are only suggestions, so do not feel you need to complete every activity, every day (unless you want to!) If you are already using other platforms such as Oak National Academy or Hamilton please feel free to continue to use these, if that is what you would prefer to do. We have now purchased a subscription to Whiterose. As they began charging for their worksheets from May 11th, I have decided to begin the planning from where you left off so that the children can continue their mathematical journey with Whiterose. If you have any questions regarding online learning, please could you contact me at missrumjaundeanwood@hotmail.com. I hope you find this useful and I look forward to seeing you all again soon.

NEXT WEEK ONLY: Please note, I am on half term next week so Miss Taylor will be responding to any queries that you may have. If you need any further guidance, I will happily answer any questions when I return to work on the week beginning 8th June.

Until then, take care!

Miss Rumjaun

Suggested Weekly Activities:

NB: If you see (PP) this means that you can find the resources on the PowerPoint provided for that week.

Year 2 <u>01/06/20</u>	Reading: Please read to an adult every day! You can share harder stories together by reading alternate pages. Remember you can access online reading books (levelled) here: Oxford Owl: https://home.oxfordowl.co.uk/books/free-ebooks/ or Big Cat: https://connect.collins.co.uk/school/teacherlogin.aspx USERNAME: parent@deanwood.medway.sch.uk Password: P@55word If you are unsure how to use Oxford Owl please watch this video. https://www.youtube.com/watch?v=crAzoXUb8Vk In addition to this, try to choose some non-reading books to snuggle up to! After you have read the story, ask questions such as:	<u>Weekly Spellings:</u> ark clever gloves son front dozen monkey somebody woman women	Number Fluency: Can you count in tens from 2, 4 and 6 every day? Maybe you could count when you are walking up/ down the stairs or when you are running around the garden. PE: Join Joe Wickes at 09:00am for a daily workout. No equipment needed! https://www.youtube.com/channel/UCAxW1XT0iEJo0TYlRfn6rYQ
----------------------------------	---	---	---

	<p>'What was your favourite part of the story? Why?' or 'Who did you like most/ least in the story? Why? You could even re-create the story using puppets, toys or pictures.</p>			
	Maths	Writing	Reading Comprehension/ GPAS	
Information	<p>Please access this week's work by clicking on the link below daily: As previously mentioned, we will begin our Maths work from when Whiterose started charging for their worksheets. This week's work is under the tab, Summer Term Week 4 (w/c 11th May)</p> <p>https://whiterosemaths.com/homelearning/year-2/</p>	<p>This week we are writing postcards!</p>	<p>PHONICS - If your child would like to practice their Phonics - please refer to this week's Reception or Year 1's Phonics plan. If you are unsure which one to follow contact me at the email address above. I am happy to help.</p> <p>60 second Reads – For those more able readers can you read the text in 60 seconds and try to answer the questions? Now go back to the text and find the answers like we do in class by underlining the answers. Were you right?</p> <p>Need more than 60 seconds? That is fine! Read the text at your pace and then go back and find the answers.</p>	<p>Other Areas of the Curriculum</p> <p>In this section, I will endeavour to provide activities from the wider curriculum. Additional resources can be found in a separate document published on the website.</p> <p>This term our new topic is the Amazing Africa! I've not had the chance to visit much of Africa. However, my parents are from a tiny island called Mauritius not far from Africa... Mrs Tonner is also originally from Africa too.</p>
Monday	<p><u>Lesson 1 – Add and Subtract 10s</u> Watch the video (it is about 5 minutes long) and you can find the lesson's worksheet/ activities on the PowerPoint for this week.</p> <p>If you loved today's lesson and you want more, you can get some extra practice from BBC Bitesize: (this link will take you</p>	<p>In today's lesson you will be exploring a post cards (PP). I am missing receiving Paddington's postcards. Where do you think he has been recently?</p> <p>Read this postcard from New York.</p>	<p><u>Reading comprehension</u> - What plants need to grow.</p> <p>Read the first part of the story, Ronald the Rhino.</p>	<p><u>Geography:</u> We are going to learn about the continents, oceans and poles of the wonderful world we live in!</p> <p>Can you discuss where you think the different oceans / continents are? Do you know any countries that are in those continents?</p>

	<p>directly to today's learning outcome) https://www.bbc.co.uk/bitesize/articles/zbypscw</p>	<p>Handwriting: Practice writing the letter a. You can use your handwriting book!</p>		<p>Can you label the world map? (PP)</p>
Tuesday	<p><u>Lesson 2 – Add 2 digit numbers</u> Watch the video (it is about 5 minutes long) and you can find the lesson's worksheet/ activities on the PowerPoint for this week.</p> <p>If you loved today's lesson and you want more, you can get some extra practice from BBC Bitesize: (this link will take you directly to today's learning outcome) https://www.bbc.co.uk/bitesize/articles/zvxxt39</p>	<p>Watch the video on Africa. What do you see? Write some notes and talk about what you think it would be like to go to those places.</p> <p>https://www.youtube.com/watch?v=mhtnMzCzrXk – There are lots of videos to watch!</p> <p>Handwriting: Practice writing the letter b. You can use your handwriting book!</p>	<p><u>Reading comprehension</u> – The Great White Shark</p> <p>Read the second part of the story, Ronald the Rhino.</p>	<p><u>Music:</u> Listen to this song. Can you learn the beginning? https://www.youtube.com/watch?v=K6DSMZ8b3LE</p> <p><u>RE: Looking After Ourselves:</u> How do you look after yourself. Think about your morning and evening routine. Talk about why it is important we do these things. What would happen if we didn't? Explain that looking after ourselves keeps us healthy and happy. Ask the children to think about who looks after them and who do they look after. Children to write a thank you letter to someone who looks after them.</p>
Wednesday	<p><u>Lesson 3 – Subtract 2 digit numbers</u> Watch the video (it is about 5 minutes long) and you can find the lesson's worksheet/ activities on the PowerPoint for this week.</p> <p>If you loved today's lesson and you want more, you can get some extra practice from BBC Bitesize: (this link will take you directly to today's learning outcome)</p>	<p>Today you will be writing a postcard from Africa!</p> <p>Handwriting: Practice writing the letter c. You can use your handwriting book!</p>	<p><u>Reading comprehension</u> – Paul the Lucky Octopus (PP)</p>	<p><u>Art/ DT:</u> To make salt dough models. Follow the recipe (PP) with your child. Encourage your child to use their imagination to make different shapes and objects with the salt dough. You could try to make some animals that live in the Africa.</p>

	https://www.bbc.co.uk/bitesize/articles/zrnfvk7			
Thursday	<p><u>Lesson 4 – Bonds to 100</u> Watch the video (it is about 5 minutes long) and you can find the lesson’s worksheet/ activities on the PowerPoint for this week.</p> <p>If you loved today’s lesson and you want more, you can get some extra practice from BBC Bitesize: (this link will take you directly to today’s learning outcome) https://www.bbc.co.uk/bitesize/articles/znmpf4j</p>	<p>Don’t forget to draw a picture on the other side of the postcard!</p> <p>Handwriting: Practice writing the letter d. You can use your handwriting book!</p>	<p><u>Reading comprehension – How the kangaroos got their tails (PP)</u></p> <p>Ronald the Rhino comprehension.</p>	<p><u>Science:</u> Grab either a big bag of Skittles or two small fun packs of them. Place the Skittles around the inside of a circular plate. Pour a little bit of warm water in the inside of the plate. You will need enough water to fill the the plate completely. Wait and watch! The colours will start to spread to the middle and create a cool pattern in a matter of minutes! Additional information is on the PP.</p>
Friday	<p><u>Friday Challenge!</u> Watch the video (it is about 5 minutes long) and click on ‘Get the Activity’ on the Whiterose website.</p> <p>More activities! https://www.bbc.co.uk/bitesize/articles/zd4w7nb</p>	<p>Free writing day! What do you want to write about? Email it to me – I would love to see it!</p> <p>Handwriting: Practice writing the letter e. You can use your handwriting book!</p>	<p><u>Reading comprehension – The Layers of the Ocean (PP)</u></p>	<p><u>Physical, social and emotional:</u> Spend some time as a family/ with your siblings playing a game. This could be anything from creating models out of Lego or even playing games with cards, dice or dominoes. If you have any board games at home like Monopoly this could be lots of fun too!</p> <p>If you are a little bit stuck for ideas there is a die game on the PP called ‘Picnics’ for you to try. ☺ Good luck and have fun!</p>
