

Dear Parents and Children of Oak Class,

Hello my little munchkins! How are you all keeping? I hope you are all well and safe! I hope you enjoyed the activities last week and are ready for another fun-filled week of learning!

Parents, we appreciate many of you are working from home, so please be re-assured these are only suggestions, so do not feel you need to complete every activity, every day (unless you want to!) If you are already using other platforms such as Oak National Academy or Hamilton please feel free to continue to use these, if that is what you would prefer to do. We have now purchased a subscription to Whiterose. As they began charging for their worksheets from May 11th, I have decided to begin the planning from where you left off so that the children can continue their mathematical journey with Whiterose. If you have any questions regarding online learning, please could you contact me at missrumjaundeanwood@hotmail.com. I hope you find this useful and I look forward to seeing you all again soon.

Until then, take care!

Miss Rumjaun

Suggested Weekly Activities:

NB: If you see (PP) this means that you can find the resources on the PowerPoint provided for that week.

<p>Year 2 <u>08/06/20</u></p>	<p>Reading: Please read to an adult every day! You can share harder stories together by reading alternate pages. Remember you can access online reading books (levelled) here: Oxford Owl: https://home.oxfordowl.co.uk/books/free-ebooks/ or Big Cat: https://connect.collins.co.uk/school/Primary/BigCatBookShelf.aspx USERNAME: parent@deanwood.medway.sch.uk Password: P@55word If you are unsure how to use Oxford Owl please watch this video. https://www.youtube.com/watch?v=crAzoXUb8Vk</p> <p>In addition to this, try to choose some non-reading books to snuggle up to! After you have read the story, ask questions such as: ‘What was your favourite part of the story? Why?’ or ‘Who did you like most/ least in the story? Why?’ You could even re-create the story using puppets, toys or pictures.</p>		<p><u>Weekly Spellings:</u> shook often picture future nature creature fracture adventure mouse mice</p>	<p>Number Fluency: Can you count in tens from 1,3 and 5 every day? Maybe you could count when you are walking up/ down the stairs or when you are running around the garden. This week we will continue to focus on the 10x tables.</p>
	<p>Maths</p>	<p>Writing</p>	<p>Reading Comprehension/ GPAS</p>	<p>Other Areas of the Curriculum</p>

PE: Join Joe Wickes at 09:00am for a daily workout. No equipment needed!
<https://www.youtube.com/channel/UCAxW1XT0iEJoOTYIRfn6rYQ>

<p>Information</p>	<p>Please access this week's work by clicking on the link below daily: As previously mentioned, we will begin our Maths work from when Whiterose started charging for their worksheets. This week's work is under the tab, Summer Term Week 5 (w/c 18th May)</p> <p>https://whiterosemaths.com/homelearning/year-2/</p>	<p>This week our activities are based around the story you read last week about Ronald the Rhino.</p>	<p>PHONICS - If your child would like to practice their Phonics - please refer to this week's Reception or Year 1's Phonics plan. If you are unsure which one to follow contact me at the email address above. I am happy to help.</p> <p>60 second Reads: For those more able readers can you read the text in 60 seconds and try to answer the questions? Now go back to the text and find the answers like we do in class by underlining the answers. Were you right?</p> <p>Need more than 60 seconds? That is fine! Read the text at your pace and then go back and find the answers.</p>	<p>In this section, I will endeavour to provide activities from the wider curriculum. Additional resources can be found in a separate document published on the website.</p>
<p>Monday</p>	<p><u>Lesson 1: Multiplication sentences using x symbol</u></p> <p>Watch the video (it is about 5 minutes long) and you can find the lesson's worksheet/ activities on the PowerPoint for this week.</p> <p>If you loved today's lesson and you want more, you can get some extra practice from BBC Bitesize: (this link will take you directly to today's learning outcome)</p> <p>https://www.bbc.co.uk/bitesize/articles/zhchscw</p>	<p><u>Writing:</u> In today's lesson you will be learning about the past and present progressive tense.</p> <p><u>Handwriting:</u> In your neatest handwriting practice long ladder letters: They are known for their straight lines and are the letters l, l, t, j, u and y – look on the inside cover of your GPAS/handwriting book for how to form these letters.</p> <p>https://www.bbc.co.uk/bitesize/articles/zf2r47h</p>	<p><u>Reading comprehension:</u> The Isle of Coll.</p> <p><u>Reading:</u> Discussion questions</p>	<p><u>Geography:</u> We are going to learn about animals that live in hot and cold places. Can you remember what the different oceans / continents are?</p> <p>Can you match the animal to the correct region (hot region or cold region of the world?) This was originally a domino activity so if you have access to a printer you could print it out and try to match the pictures to the correct description. Don't worry if you don't have a printer you can still</p>

				identify which picture belongs to which description!
Tuesday	<p><u>Lesson 2: Use arrays</u> Watch the video (it is about 5 minutes long) and you can find the lesson's worksheet/ activities on the PowerPoint for this week.</p> <p>If you loved today's lesson and you want more, you can get some extra practice from BBC Bitesize: (this link will take you directly to today's learning outcome) https://www.bbc.co.uk/bitesize/articles/zrf8jvhv</p>	<p><u>Writing:</u> In today's lesson you will be continuing to learn about the past and present progressive tense.</p> <p><u>Handwriting:</u> In your neatest handwriting practice caterpillar letters: They are known for their curved lines and are the letters c,f,g,a,q and o – look on the inside cover of your GPAS/handwriting book for how to form these letters. https://www.bbc.co.uk/bitesize/articles/zkbfy9q</p>	<p><u>Reading comprehension:</u> I do like to be beside the seaside</p> <p><u>Reading:</u> Discussion questions</p>	<p><u>Music:</u> Listen to this song. Can you learn the beginning? https://www.youtube.com/watch?v=K6DSMZ8b3LE</p> <p><u>RE: Caring for Others:</u> Raksha Bandhan Do you have any siblings? If so, how do you look after your brothers and sisters, and how do they look after you? If you are an only child think about other members of your family e.g. cousins or friends. Read the information on the PP. Make a poster to show and tell others about the festival.</p>
Wednesday	<p><u>Lesson 3: The 2 times table</u> Watch the video (it is about 5 minutes long) and you can find the lesson's worksheet/ activities on the PowerPoint for this week.</p> <p>If you loved today's lesson and you want more, you can get some extra practice from BBC Bitesize: (this link will take you directly to today's learning outcome) https://www.bbc.co.uk/bitesize/articles/z7hdqp3</p>	<p><u>Writing:</u> I don't want to be a rhino activity!</p> <p><u>Handwriting:</u> In your neatest handwriting practice one armed robot letters. These are b,h,k,m,n,p and r. They always start by going up (remember the cursive font), then straight down, up and over. Most of these letters have a curve, except for the letter k – look on the inside cover of your GPAS/handwriting book for how to form these letters. https://www.bbc.co.uk/bitesize/articles/zfm3rj6</p>	<p><u>Reading comprehension:</u> All about Africa.</p> <p><u>Reading:</u> Ronald the Rhino Rhyming Game</p>	<p><u>Art/ DT:</u> Can you create a tiger in the jungle? See PP.</p>
Thursday	<p><u>Lesson 4: The 5x table</u> Watch the video (it is about 5 minutes long) and you can find</p>	<p><u>Writing:</u> Write a diary extract from Ronald about not wanting to be a rhino.</p>	<p><u>Reading comprehension:</u> A helicopter tour of London</p>	<p><u>Science: Colourful Milk Swirl experiment!</u></p>

	<p>the lesson's worksheet/ activities on the PowerPoint for this week.</p> <p>If you loved today's lesson and you want more, you can get some extra practice from BBC Bitesize: (this link will take you directly to today's learning outcome)</p> <p>https://www.bbc.co.uk/bitesize/articles/zhn6pg8</p>	<p>Handwriting: In your neatest handwriting practice zigzag letters: They are known for their straight lines and are the letters v, w, x and z – look on the inside cover of your GPAS/handwriting book for how to form these letters.</p> <p>https://www.bbc.co.uk/bitesize/articles/z6d8wtu</p>	<p>Reading – Wordsearch</p>	<p>There is a video which explains how to perform this experiment. Additional information can be found on the PP.</p> <p>https://www.5minutesformom.com/86728/tie-dye-milk-science-experiment/?fbclid=IwAR3sHa6Z3ksF9M11Mntwoma93xKZEDiMkDFfCCeZtYmUN9vd37xCPYwmJow</p>
Friday	<p>Friday Challenge! Watch the video (it is about 5 minutes long) and click on 'Get the Activity' on the Whiterose website.</p> <p>More activities! https://www.bbc.co.uk/bitesize/articles/z7txhbk</p>	<p>Free writing day! What do you want to write about? Email it to me – I would love to see it! If you need more information there are slides and a letter from Cressida Cowell (author of how to train your dragon)</p> <div data-bbox="909 842 1088 1024" data-label="Image"> </div> <p>Handwriting: you choose!</p>	<p>Reading comprehension – Tigers</p>	<p>Physical, social and emotional: Spend some time as a family/ with your siblings playing a game. This could be anything from creating models out of Lego or even playing games with cards, dice or dominoes. If you have any board games at home like Monopoly this could be lots of fun too!</p> <p>If you are a little bit stuck for ideas there is a die game on the PowerPoint called, 'Dotty Six' for you to try. 😊 Good luck and have fun!</p>
