

Numeracy and Maths:

- ☺ Practice measuring the length and height of different objects in your home.
- ☺ Practice your times tables. Login to TT Rockstars and challenge a friend or a teacher!
- ☺ Create a poster to teach someone about fractions.

Science:

- ☺ Make a list of things that are good for the environment and things that are bad for the environment, see how many of the good things you can do!
- ☺ Find out about how one mode of transport moves. What Science is involved?
- ☺ Have a go at one of these Science experiments: <https://www.kiwico.com/diy/explore/environmental-science-projects>

Expressive Arts:

- ☺ Practice singing and playing the beat of the song we have been learning in our Music lessons 'Zootime'.
- ☺ Make up a dance routine using your body to make different shapes, can you spell out your name using your body?
- ☺ Imagine you are stepping foot on the first ever steam train or the first ever airplane—act out your experience and create a role play.

Out and About:

- ☺ Walk somewhere instead of driving to help the environment.
- ☺ Do some exercise outside.
- ☺ Go for a walk and look for different modes of transport. Can you make a pictogram or a tally chart to show how many of each mode of transport you saw?

Term Five Homework Grid

Year 2: Travel and Transport

Health and Wellbeing:

- ☺ Practice some of the skills we have been learning in our PE lessons.
- ☺ Try to eat five pieces of fruit or vegetables every day for a whole week—how did it make you feel? Could you do it for longer?
- ☺ Draw a picture of one of your friends and write some nice things about them around the edge—give them the picture when you see them next.

Literacy and English:

- ☺ Practice joining your handwriting.
- ☺ Choose a longer chapter book from home to read. See if you can finish reading the book by the end of term.
- ☺ Write your own version of our story Man on the Moon, it could be Man on Mars or Man on Saturn, for example.

Art and DT:

- ☺ Create a vehicle linked to our topic of Travel and Transport.
- ☺ Design an advert for a future form of transport.
- ☺ Create a picture of a world map using any resources you have and label the 7 continents and 5 oceans.

Research:

- ☺ Find out some information about ceremonies in different religions.
- ☺ Research into different modes of transport. Can you make a fact file or a poster to show the information you have found out?
- ☺ Speak to an older family member about the modes of transport they used when they were younger.
