

Numeracy and Maths:

- ☺ Practice telling the time. Challenge: see if you can begin to tell the time in 5 minute intervals.
- ☺ Practice your times tables on TT Rock-stars.
- ☺ Practice measuring the weight of items in your home using scales and practice measuring liquids using a measuring jug.

Science:

- ☺ Find out about a famous scientist and make a poster to show who they are and what they have done.
- ☺ Find out about an invention and answer the following questions: what, when, who, how, why, where?
- ☺ Have a go at one of these Science experiments: <https://www.sciencefun.org/kidszone/experiments/>

Expressive Arts:

- ☺ Practice singing and playing the beat of the song we have been learning in our Music lessons 'Friendship Song'.
- ☺ Imagine you are an African animal. Act out hunting for food, eating, looking after your young—can you create a dance routine to some African music?
- ☺ Pretend you are a tour guide on an African safari, tell the tourists about The Big Five!

Out and About:

- ☺ Take a walk in your local area and compare what you see to what we have learnt in school about Africa.
- ☺ Have a go at one of these summer activities <https://www.youtube.com/watch?v=VoNSCs6Ltjw>
- ☺ Create a map of your local area, labelling the road names and other local places.

Term Six Homework Grid

Year 2: Africa

Health and Wellbeing:

- ☺ Have a go at some Teach Active activities by following this link: <https://www.teachactive.org/my-account/homework/#/>
- ☺ Take some time to relax by following along with some mindfulness videos <https://www.youtube.com/watch?v=I1bBI-BT9c4>
- ☺ Try to complete some form of exercise every day: running, walking, cycling, dancing, swimming, playing sports, anything active!

Literacy and English:

- ☺ Practice joining your handwriting.
- ☺ Try to read at home three or more times a week (you can read your own books), write it in your contact book to get your 20 ticks!
- ☺ Practice writing sentences including the conjunctions and, because, so, but, if, or.

Art and DT:

- ☺ Create a 2D or 3D map of Africa labelling the main places.
- ☺ See if you can create a moving wheel using materials from around the house—think about what we learnt when creating our fairground wheels.
- ☺ Make a fruit or a regular salad.

Research:

- ☺ Research into The Big Five—these are animals people try to see when they visit an African safari.
- ☺ Find out some information about Kenya and create a fact file, poster or leaflet to show what you have learnt.
- ☺ Research into a famous scientist: Jane Colden, Elizabeth Garrett Anderson, Louis Pasteur, Charles Macintosh or Rachel Carson.
