

Year 5, Week 1: 01/06/2020

Dear Parents and Children of Hawthorn Class,

I hope you are all keeping safe and healthy! I am missing all of you at school and I hope you are behaving for your parents. I know it can't be easy staying at home but you are all doing so well and we are all very proud of you! As you can't come to school, I have put together some activities to help you continue your learning at home with your parents.

Parents, we appreciate many of you are working from home, so please be re-assured these are suggestions, so do not feel you need to complete every activity, every day (unless you want to!) If you are already using other platforms such as Oak National Academy or Hamilton please feel free to continue to use these, if that is what you would prefer to do. If you have any questions regarding online learning, please could you contact me at MrSlackDeanwood@hotmail.com. I am also happy to receive pictures of children's work at the email address above. I hope you find this useful and look forward to seeing you all again soon.

Until then, take care!

Mr Slack

Year 5	<p>Reading: Please read to an adult every day! You can share stories together or read alternate pages. Remember you can access online reading books here: Oxford Owl: https://home.oxfordowl.co.uk/books/free-ebooks/ USERNAME: parent@deanwood.medway.sch.uk Password: P@55word Love Reading for Kids gives you free extracts of books (you will need to sign up for free). https://www.lovereadng4kids.co.uk/ Don't forget our online virtual library which gives you lots of ideas of books to read: http://www.deanwood.medway.sch.uk/default/interactive_library1</p>		<p>Spellings: Please practice the following spellings from the National Curriculum: accommodate, bargain, category, definite, embarrass, familiar, government, harass, identity, language, marvellous, occupy, parliament, queue, recognise</p> <p>Use the spelling menu on the website for ideas of how to practise.</p>	<p>Number Fluency: Please continue practising times table and number facts.</p> <p>You can use Hit the Button https://www.topmarks.co.uk/maths-games/hit-the-button & Times Table Rockstars https://trockstars.com/ (if you do not know your username and password, please email me).</p>
	Maths	GPAS and Writing	Reading Comprehension	Other Areas of the Curriculum
Information	<p>This week the children will be focused on decimals.</p> <p>Use the website links below to access short teaching videos, activity sheets and answers. Please use the Year 5 Home Learning Week 1 resources document located on the school website to find more activities for each lesson.</p> <p>Further activities and teaching points can be found on https://www.khanacademy.org/math/cc-fifth-grade-math/imp-place-value-and-decimals</p>	<p>This week the children will be focusing on practising a variety of GPAS skills, which they would have needed to practise if the SATs tests had of taken place.</p> <p>In writing, the children will need to watch the following video on the Literacy Shed: https://www.literacyshed.com/the-ighthouse.html</p>	<p>The reading comprehension tasks are based around extracts of books taken off the free website Love Reading for Kids. https://www.lovereadng4kids.co.uk/</p> <p>The children will need to read through the short text carefully and answer comprehension questions based on the text three days a week, and read their own reading book from home at least twice a week. Obviously, they are able to read their own books as much as they want.</p>	<p>The topic for this term is Carnival Brazil. There will be a focus on Geography, Music and Art.</p> <p>Our Science topic for this term is Materials and their Properties.</p> <p>For PE, we advise that you get outside as much as possible, and as safe as possible. If you have a garden, spend some time exercising or go for walks with your family if you are allowed to do so. You can always try the daily Joe Wicks workout https://www.youtube.com/user/thebodycoa_ch1</p>

<p style="text-align: center;">Monday</p>	<p>Decimals Up to 2 Decimal Places</p> <p>Please access the following link to find the teaching video: https://whiterosemaths.com/homelearning/year-5/</p> <p>Scroll down and select Week 1, and play the video for Lesson 1</p> <p>The worksheet and activities can be found using the following link https://worm-13b48.kxcdn.com/wp-content/uploads/2020/homelearning/year-5/Y5-Spring-Block-3-WO1-Decimals-up-to-2-dp-2019.pdf</p> <p>Answers can be found at https://worm-13b48.kxcdn.com/wp-content/uploads/2020/homelearning/year-5/Y5-Spring-Block-3-ANS1-Decimals-up-to-2-dp-2019.pdf</p> <p>Please find more activities for this lesson on the Year 5 Home Learning Week 1 resources document located on the school website.</p> <p>A free online interactive activity can be found here https://classroomsecrets.co.uk/free-year-5-decimals-up-to-2-decimal-places-iwb-fractions-activity/</p>	<p>GPAS: Expanded Noun Phrases</p> <p>Please find the GPAS activities using https://connect.collins.co.uk/school/Primary/PrimaryDashboard.aspx, clicking Treasure House, accessing Year 5, Vocabulary, Grammar and Punctuation, and then finally Expanded Noun Phrases</p> <p>Writing: Newspaper Report Planning Watch the video 'The Lighthouse' using the link above.
